What is Happening in the Classroom:

We have completed our OWL unit about the Jungle and Desert and we will start our unit on the Earth and Sky next week. These past 2 weeks we have been working on sorting and graphing, shape identification, letter/sound identification, and rhyming. The students really enjoyed the valentine exchange! Please read with your child everyday. Remember we have NO SCHOOL Feb. 14-17. Have a great long weekend and HAPPY VALENTINES DAY!
