### What is Happening in the Classroom:

Welcome back! We have hit the ground running and are busy learning and having fun. This week we have started our OWL Unit on the Jungle. We have been working on recounting key details from stories, attributes of 2D shapes, drawing and rhyming. Please continue to read with your student every day if possible. I resent the Parent Reader sign up last week. There are lots of spaces open. Please consider signing up, our students love it when a parent comes to read! Our Media Center day switched to Fridays for this semester. We went last Friday and our next visit will be next Friday Jan 24.

### Things to Remember:

- Check your child's book bag each night.
- If your child is absent due to illness-please send in a note explaining the absence within 2 days.
- **Please send in a warm change of clothes if you have not already done so.**
