What's Happening in the Classroom:

This week our students are enjoying our author study of Moe Willems. They especially enjoy the "Pigeon" and "Elephant and Piggy" books. In small group we have been working rhyming, shapes, 1:1 counting, letter identification, how objects move and positional words. The students also conducted a science experiment on our sense of taste. We had a great time at the Runapalooza! Thank you for all your support!! We are going to start sending the "Letter Bucket" home with a student each Friday. Every student will get a turn. Instructions are in the Bucket.

Things to Remember:

- Check your child's bookbag each night.
- If your child is absent due to illness, please send in a note explaining the absence within 2 days.

Questions to Ask your Child:

- What does an author do?
- What does an illustrator do?
- Who is the "star" (main character) of the story?
