## What is Happening in the Classroom:

We have been learning and having fun in Pre K! Our class has been working on rhyming, 1:1 counting, clapping out the syllables in our name, and learning classroom rules and routines. We attended an exciting "Strong For Life" pep rally where the students learned about healthy habits. The next fun school event will be the "Runapalooza" in October which will raise money for our school. Please speak with your student at home about the importance of being a good friend, sharing and keeping hands to ourselves in order to reinforce what we are working on in our classroom. Thank you very much for all your support and donations that have been sent in!
